

Parent Quick Guide — register once, then follow your child's school life from your phone.

CREATE YOUR ACCOUNT — 2 MINUTES

- 1 Open **basslink.bass.edu.pk** in Chrome or Safari and tap **Register**.
- 2 Enter your child's **GR Number** and your **Father's Name**, exactly as recorded at school.
- 3 Enter the **Father's CNIC** and **Father's mobile number** registered with the school (must match exactly).
- 4 Create a password: **8+ characters with uppercase, lowercase and a number**.
- 5 Tap **Register** — then sign in with your mobile number and password. You're in!

Important: If registration says details don't match, contact the school office — your child's record (CNIC / mobile) needs updating first. One account automatically shows **all your children**, including siblings.
