HEADMISTRESS MESSAGE

Mrs. Samina Ishrat
M.Ed. (Gold Medalist)
Int. Diploma In Mont. Edu.

Dear Parents, (السلام علیکم)

It gives me immense pleasure to connect with you through our newsletter and to share a few reflections on one of the most important partnerships in a child's life :the partnership between home and school.

Parenting today is evolving. Our children are growing up in a world of rapid technological advancement, constant information, and changing social expectations. In such an environment, effective parenting is not about being perfect; it is about being present, responsive and purposeful.

Equally important is allowing children to experience age-appropriate independence. Let them make small choices, take responsibility for simple tasks, solve problems and learn from their mistakes. These everyday experiences gradually build resilience, decision-making skills and self-confidence.

Let us also remember that every child develops at a different pace. Avoiding unnecessary comparisons and recognising individual strengths can help children grow with confidence rather than anxiety. Our role is not to shape every child into the same mould, but to nurture each child's unique potential.

At school, we remain committed to providing an environment where children feel safe, respected and motivated to learn. We greatly value your trust in our educational approach and encourage an open, respectful and constructive partnership between parents and teachers.

As we move into the second / final term of the academic year, I invite every parent to continue giving their child the most valuable gifts—your time, your attention, your patience and your confidence in their ability to grow.

Together, let us create a childhood where children do not merely prepare for the future, but learn, explore, flourish and enjoy the journey of growing up.

Warm regards,
Headmistress

"Early childhood education is the key to the improvement of society."

(Maria Montessori)

SPLASH DAY (Tuesday, 19th & Wednesday, 20th May)

The students of Playgroup at Montessori Eden had a splashing good time on Splash Day. The day was filled with fun-filled water activities that brought immense joy and excitement to our little ones. This interactive and refreshing activity helped children develop their fine and gross motor skills while promoting physical growth and sensory exploration. Such co-curricular activities encourage teamwork, cooperation, and cheerful interaction, fostering social skills and building strong bonds among students.

GO GREEN DAY (Friday, 22nd May)

To encourage love for nature, instil a sense of responsibility through hands-on planting activities, and to promote sensory learning and practical life skills, "Go Green Day" was celebrated with great enthusiasm by the students of Nursery and Prep.The activity was thoroughly enjoyed and highly appreciated by all students.The students were guided about the growth process of plants, from seeds to healthy saplings. They observed the growth of their plants, captured pictures and shared them with their respective class teachers to create a growth timeline.

INDEPENDENCE DAY CELEBRATION (Thursday, 13th Aug)

Montessori Eden (Prep classes) hosted a special assembly on Independence Day with great zeal and fervor. On this day, we paid heartfelt tribute to the freedom fighters who sacrificed their lives for our motherland. It is a day to remember and honor the leaders and individuals who played a pivotal role in the struggle for independence. The day was marked by cultural performances, national songs, and vibrant displays of national unity, fostering a true spirit of patriotism and togetherness.

COLOR DAY (Friday, 28th Aug)

Celebrating Colour Day is a wonderful way to highlight the importance of colours and help students learn about different things associated with them. Our little ones of Playgroup celebrated "Colour Day" with great zeal and enthusiasm. The children of BASS came dressed in vibrant, colourful outfits. To help them understand the significance of different colours, teachers organized engaging art activities including drawing, colouring, and paper crafts, which the children enjoyed with immense interest. It was a fun-filled day with innocent faces shining brightly, reflecting joy and happiness.

FRUIT AND VEGETABLE DAY (Friday, 28th Aug)

Fruit and Vegetable Day was celebrated with the students of Nursery. The day serves as a reminder of the importance of fresh food in leading a healthy life. Fresh fruits and vegetables in our diet are essential for a healthy lifestyle. This event aimed to highlight the value of a healthy and balanced diet and to help children develop the right eating habits from an early age. Fruit and Vegetable Day was celebrated with the students of Nursery. The day served as a reminder of the importance of fresh food in leading a healthy life.

HEALTHY AND JUNK FOOD DAY (Friday, 28th Aug)

Healthy and Junk Food Day was organized for the students of Prep. The aim of this activity was to promote awareness, educate children, and encourage a balanced approach to nutrition for better health and well-being. The activity also highlighted that healthy food can be both nutritious and delicious, while raising awareness about the importance of making good food choices.

DEFENCE DAY (Monday, 7th Sep)

Defence Day, also known as Youm-e-Difa, is observed every year on September 6th to honour the sacrifices of our Soldiers and martyrs who risked their lives to safeguard our country and its people. A special assembly was held by the students of Class Prep to pay tribute to their courage. We are all proud of our formidable armed forces and their constitutional role in safeguarding our nation's borders and defence.

PAINT AND BRUSH DAY (Fri, 11th Sep)

Students of Nursery and Prep enthusiastically participated in Paint & Brush Day. The activity allowed children to explore colours, textures and various painting techniques in a joyful environment. It was a wonderful platform to nurture their artistic talents, enhance their aesthetic sense and build self-confidence as they freely expressed their ideas and imagination on chart sheets.

TOY DAY (Fri, 18th Sep)

We organized an engaging activity for Playgroup classes titled My Favorite Toy. Sharing and playing with their favorite toys amongst peers help children develop essential social skills such as sharing, cooperation and communication. This activity plays a vital role in a child's emotional development, stimulates their imagination, and enriches early learning experiences by providing a sense of comfort, security, and opportunities for exploration and self-expression. Students were thrilled to give presentations on their toys. They happily shared and expressed their feelings about their toys, which enhanced their communication skills and built their confidence.
